

A timeless journey

New KELSEY

# Experience freedom

Kelsey, the name of a famous explorer  
for a timeless journey...

## NEW KELSEY

-  Innovative bench
-  Spacious interior
-  Large storage space
-  High equipments level
-  Premium comfort

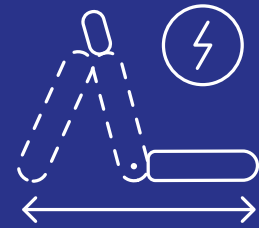

### Optimum access.

Spacious design interior to provide great onboard comfort and improved circulation with its double sliding doors.

# INNOVATION

Ingenious modular design!

**Electrically-operated bench seat for easy of use.**

In just a few seconds, you can install your 2-seater bed (124 x 193 cm) in the Kelsey living room. It's very easy to use and provides flexibility you will appreciate! The electric bench seat has a car seat attachment system (Isofix) which is ideal for family trips.

**Enjoy the extra space!**

The pop-up roof folds upwards to reveal an extra double bed 2,07 m x 1,28 m. Once the bed is raised, the height is a generous 3,14 m, giving you a great feeling of space and freedom! Now you can keep an eye on the children playing in the mezzanine bed, as well as accessing the kitchen from the rear of the vehicle.

**Premium campervan with all the benefits associated with a luxury saloon car.**
